Hillingdon Police Station, 1 Warwick Place, Uxbridge, UB8 1PG

Dear Residents of Uxbridge South,

This is the August 2016 Newsletter. If you would like to contact the team, please use the above contact details. To report a crime call 999 in an emergency or 101 in a non-emergency.

After stopping the driver of a vehicle in Uxbridge for using a mobile phone whilst driving, PC Shephard noticed a strong smell of cannabis coming from the vehicle. The vehicle was searched – with assistance from the dog unit – and drugs and cash were recovered. The occupants of the vehicle were arrested and interviewed by Uxbridge South officers, resulting in the driver being charged for possession of class B drugs and being sent to Uxbridge Magistrates Court. Drug use can be reported directly to us or anonymously to Crimestoppers on 0800 555 111.

This month, Uxbridge South officers have been busy organising and attending engagement events. A litter pick event in Rockingham Recreation Ground in July led to the recovery of a pair of bolt cutters hidden in a bush. These were removed and seized by officers, preventing them from being used to carry out crime.

TOTAL POLICING

Territorial Policing

Ahead of the summer holidays, PC Blake attended the Mataji Temple on Cowley Road. Year Six students from St Andrews School were taught about the religion and cultures, and also learnt about some of the roles which police carry out within the community.

Theft from motor vehicles has decreased from six reports in June, to four reports in July. Please help us to continue this reduction for August, by removing valuables from your vehicles especially at night, and by making sure that windows and doors are locked securely - even in the hot weather. More information can be found at www.met.police.uk.

In the recent warm weather, Uxbridge South officers have been carrying out foot and cycle patrols in the local areas in order to reduce antisocial behaviour. If your area is affected and you feel that police could do more to help, please let us know on 101 for non emergencies, or by emailing the team email at the top of this letter. Always call 999 in an emergency.

For upcoming community engagement events, please see <http://content.met.police.uk/Team/Hillingdon/Uxbridgesouth>. Our next Ward Panel Meeting – where we discuss the ward priorities and our approach to tackling crime – is on October 25th 2016. Please let us know if you wish to attend.
